Insecurity

Turning Point

The effort I give
Just to live day by day
I'm so sick of insecurities
I never know what I want to say
Every word spoken in fear
Every time your crew is near
I've tried so hard to break my chains
They'll never keep me down
But always cause me pain
The pain!
Everything I say
Is taken the wrong way
I'm gonna say what I want
And shout it out loud
The statements I make are not to please the crowd
It's time we break free
No more insecurities
