

# Where Da Money Go?

## The Jim Jones Revue

Got no good answers when I ask you why  
Sure things aint hard for you to justify  
Well  
Starving on a wreck gettin fat an old ahhh  
My reputation is to hell and gone  
Come on boys Well I wanna know  
Where did all the money go  
Ahhhhhhh your pants are on fire  
You know what you are  
You're a L L L L L L LIAR Well...  
What's your is mine and what's mine I keep  
You took the whole thing while you was all asleep  
Well..  
Your life without you is really hard to live  
Ahhhhhh I'm gonna take me to church so you can learn to forgive  
You better know your place boy Ahhhh let the record show  
Yeah man where did all the money go  
Whooo your pants are on fire  
Huh  
You're a L L L L L L L L L L L L LIAR HA HA Got no excuse and that a no surprise  
Sure wouldn't expect you to apologise  
You were always a dick but now you crossed the line  
There more to your life than a dollar sign Ahhhhhhhh we all wanna know  
Where where where where where where did all the money go  
Whooooo your pants are on fire  
You're a LIIIIIIIIIIAR  
Yes you are You're a LIAR
