Nice Guys Finish Last

Ollie Childs

I was just a kid working for the man for the first time
Said listen kid you better hear my advice
Treat 'em like dirt, they'll stick forever
To the bottom of your shoe, oohI said Mr. Man, that ain't nice, you gotta treat a girl right
Take her out, wine and dine her, always be polite
Kid, all good does do you
But soon you'll see she don't want no goody two shoesBoy you're just a goody two, goody two shoes
You're just a goody two, two shoesYou got style, you got grace
But kid you try so hard, she just laughs in your face
Yeah, you're a nice guy with the wrong attitude
She want a bad boy
(Bad boys, bad boys, all we want is bad boys)I treat her dirt, she loves me good
And I just hate to have to tell you
'Cause you're a nice guy but that just won't do
She want a bad boy
(Bad boys, bad boys, all we want is bad boys)Listen kid, you hear them sirens coming for me?
But when I get downtown she will already be
Posting bail in her favorite dress
Smiling at me because I'm no goodYou can buy her everything she likes
And I'm sure she'll be obliged
To let you steal a kiss maybe even spend the night
Kid, all good, just know that she'll be thinking of me
Even when she's with youBoy you're just a goody two, goody two shoes
You're just a goody two, two shoesYou got style, you got grace
But kid you try so hard, she just laughs in your face
Yeah, you're a nice guy with the wrong attitude
She want a bad boy
(Bad boys, bad boys, all we want is bad boys)I treat her bad, she loves me good
And I just hate to have to tell you
'Cause you're a nice guy but that just won't do
She want a bad boy
(Bad boys, bad boys, all we want is bad boys)Whoa, alright now, singles ladies
(Yeah)
I'm gonna need your help now
(Tell us whatcha want us to do now)
(Tell us whatcha want us to do now)I need help, girls
(You're a bad boy)
I say I need help now
(Help now)So bad

(So bad)
So good
(So good)So bad
(Bad)
Good
(Good)
OhhGoddamn, you got style, you got grace
You try so hard, she just laughs in your face
You're a nice guy with wrong attitude
She want bad boy
(Bad boys, bad boys, all we want is bad boys)I treat her bad, she loves me good
And I just hate to have to tell you
'Cause you're a nice guy but that just won't do
She want a bad boy
(Bad boys, bad boys, all we want is bad boys)Boy just a goody two, goody two shoes
Just a goody two, two shoes
