Damned

VAMPS

Now...there is someone in the dark - afraid
Cold...all my senses on alert - I freeze
Fear...I just want it to be gone - I pray
Loud...my heart is beating fast, attracting "them"Falling prey to "Its" fangs
I can't resist
Caught in "Its" flameI'm damned...God...there is someone in me - afraid
Pain...I can feel "its" grow inside my cells
Mad..."it's" emerging from my skin - I change
Thirst...this desire is too great - I'm one of "them"My love, I lose myself
Before I'm gone
I say your nameI'm damned...Dear, I don't want to cause you pain - afraid...
