

Last Time Lover

Spice Girls

Treat me right, all night
Makes me feel good, like you should Listen up I gotta tell you
About the ins and outs and goings on
I wouldn't tell just anybody
About the fox that I've been chasin'
He's resistant and persistent
It didn't stop me from homing in
'Cause I'm choosy not a floozy
I get my hit and then I run with it Last time lover
Do you think I'm really cool and sexy?
And I know you want to get with me
Last time lover
Do you wanna be my last time baby
Could it be your first time maybe? We got up and down to it
Like the dirty bass in the music
Got my major chords strummin'
Took some time and then we're really buzzin'
First bite whet my appetite
Second helping's always better
Started gettin' burning hot
I found my pride not easy
Slowed it down I said stop Last time lover
Do you think I'm really cool and sexy?
And I know you want to get with me
Last time lover
Do you wanna be my last time baby
Could it be your first time maybe? Last time lover, treat me right
Lovin' under cover, all night
Last time lover, make me feel good
Lovin' under cover, like you should
Last time lover
Last time lover, treat me right
Lovin' under cover, all night Cool, sexy, ever ready, someone fine
Always steady, gentle hands, dirty mind
Use your head and don't be blind
Words of love they don't wash with me
What's the rush no urgency you see
Crazy boy, potential lover, first and last lover brother
There ain't no other

Crazy, sweet, cool but racy, steady, ready, go, yes Last time lover

Do you think I'm really cool and sexy?

And I know you want to get with me

Last time lover

Do you wanna be my last time baby

Could it be your first time maybe?

Last time lover Last time lover

Do you think I'm really cool and sexy?

And I know you want to get with me

Last time lover

Do you wanna be my last time baby

Could it be your first time maybe?

Last time lover Last time lover

Do you think I'm really cool and sexy?

And I know you want to get with me

Last time lover

Do you wanna be my last time baby

Could it be your first time maybe?

Last time lover Last time lover

Do you think I'm really cool and sexy?

And I know you want to get with me
