The 1975

Advisory - the following lyrics contain explicit language:

"Well I only brought 3, what you lookin' at me for?"
She's dressed in white and putting off crying."Well you're the best man, so what's the plan?
Why don't you talk to Matty about it?"I said, "I only brought 3 like I told you before,
We're gonna have to ask about."Free bar, that's the point.
Spilling Amaretto 'cause of previous joints.
I'm sitting with a girl, fortunate placing.
Preceding railing racket off a porcelain basin.
Who's he? Giving it the lips?
I've never seen him knockin' about.
He looks just like me, but 6 foot 3,
So I reckon you could knock him out."Well, I think I'll say a couple of words if you don't mind...
I never really got on with your bird the first time
I met her out, dressed in nowt, telling everybody you were shagging about."Well, who's this? Going for the kiss,
I'm probably gonna yosh in your mouth.
Because it's 3:05, I can hardly see and I'm on the verge of passing out.
