No Deeper Meaning (Original Radio Edit)

Culture Beat

Too tough to be denied got to keep my stride
As I take you for a ride
The rhythm and the beat and the rhyme must coincide
Be rehearsed and tired
Can't come off soft I gotta come off
I like the spotlight like a moth
Enjoy being seen but I have to stay correct
To be the man that you select
The one you choose when the blues begins to confuse
All your dent's and do's
I make the rules and I am setting the path
Stating my case while I move the place
Gonna win the race and I'll tell you face to face
The J is the ace
Possessing all the elements that are needed
And you can't beat itNo no no I don't want a deeper meaning
In any song I'm dancing to
No no no I don't want a deeper meaning
All I want to do is dance with youLet's take a stroll get on a roll
What I'm taling about is to fold body and soul
I gotta grip so grab a hold
If you think that I can fit the mold
Never ending no pretending or descending
We're gonna rock from the beginning
Party full speed ahead
Wake the dead
You gotta dish those lead
Feet that make you walk like a person that stutters talk
You gotta be swift like the hawk
Forever on the dancefloor drenched in sweat
Cause I'm the man the set
The stage threw you into a rage
Took you out your cage and out you into a daze
Now you're out there dipping not slipping
And I'm through hipping
