

# Falling

## Florence + the Machine

I've fallen out of favor and I've fallen from grace  
Fallen out of trees and I've fallen on my face  
Fallen out of taxis, out of windows too  
Fell in your opinion when I fell in love with you

Oh oh oh oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh oh oh oh

Sometimes I wish for falling, wish for the release  
Wish for falling through the air to give me some relief  
Because falling's not the problem, when I'm falling I'm at peace  
It's only when I hit the ground it causes all the grief

Oh oh oh oh oh oh oh oh oh oh  
Whoa-oh oh oh oh oh oh oh oh oh oh

This is a song for a scribbled-down name  
And my love keeps writing again and again  
This is a song for a scribbled-down name  
And my love keeps writing again and again  
And again and again and again and again  
And again and again and again and again  
And again and again and again and again  
And again and again and again and again

I dance with myself, I drunk myself down  
Found people to love, left people to drown  
I'm not scared to jump, I'm not scared to fall  
If there was nowhere to land I wouldn't be scared at all

At all

At all

Fall

Fall

Sometimes I wish for falling, wish for the release  
Wish for falling through the air to give me some relief  
Because falling's not the problem, when I'm falling I'm at peace  
It's only when I hit the ground it causes all the grief
