

Beneath Still Waters

Emmylou Harris

Beneath still waters
Theres a strong undertow
The surface wont tell you
What the deep water knows
Darling, Im saying
I know somethings wrong
Beneath still waters
Your love is gone
Even a fool could see
That youll soon be leaving me
But each and every heart
Must take its turn at misery
And this time its me
And Ill cry alone
Beneath still waters
Your love is gone
Even a fool could see
That youll soon be leaving me
But each and every heart
Must take its turn at misery
And this time its me
And Ill cry alone
Beneath still waters
Your love is gone
Beneath still waters
Your love is gone
Beneath still waters
Your love is gone
