

# Gift of a Friend

Connie Talbot

Sometimes you think you'll be fine by yourself  
'Cause a dream is a wish that you make all alone  
It's easy to feel like you don't need help  
But it's harder to walk on your own  
You'll change inside when you realize  
The world comes to life and everything's bright  
From beginning to end when you have a friend by your side  
That helps you to find the beauty you are  
When you open your heart and believe in the gift of a friend  
The gift of a friend  
Someone who knows when you're lost and you're scared  
And they're through the highs and the lows  
Someone you can count on, someone who cares  
Beside you wherever you'll go  
You'll change inside when you realize  
The world comes to life and everything's right  
From beginning to end when you have a friend by your side  
That helps you to find the beauty you are  
When you open your heart and believe in the gift of a friend  
And when your hope crashes down  
Shattering to the ground you, you feel all alone  
When you don't know which way to go  
And there's no signs leading you home, you're not alone  
The world comes to life and everything's bright  
From beginning to end when you have a friend by your side  
That helps you to find the beauty you are  
When you open your heart and believe in  
When you believe in, when you believe in the gift of a friend
