Gospel Plow

Screaming Trees

If you wanna get to heaven let me tell you how
Keep your hand on the gospel plow, hold on, hold on, hold on
Mary had a golden chain
Every link spelled Jesus' name, hold on, hold on, hold on
Mary had a golden chain, hold on
If you wanna get to heaven let me tell you how
Keep your hand on the gospel plowWaking up without you now I'm on my own
Coming down the sky burns into my soul
And I wanna know that you're mine
I gotta know you're mineCome on back tomorrow said you'll be all right
I'll never find the way now to kill the time
And I wanna know what's in your mind
I gotta know you're mineAnd I fell alone
And my dreams are torn
You're not at all, not at all, not at all
Who you say you are
I gotta know, gotta know, gotta know where you're goingWaking up without you now I'm on my own
Coming down the sky burns into my soul
And I wanna know that you're mine
I gotta know you're mineAnd I fell alone
And my dreams are torn
You're not at all, not at all, not at all
Who you say you are
I gotta know, gotta know, gotta know where you're going
