Beyond Imagination

Cerebrum

You speak only what you hear
Easily influential
So secluded no one's near
This home's full of rituals
Your mother's goin' on strike
Tired of preaching sermons
And father's vacation tonight
Is somewhat permanent
I gotta go
To somewhere beyond imaginations flow
Hear my tone
It says I am alone
Your life seems dysfunctional
It only acts what you show
You're your own psychiatrist
A slight minute from quitting
Showing signs of depression
Life's falling over and crashing

Your heat burns through life lava
And rapes your problem solver, now go
I gotta go
To somewhere beyond imaginations flow
Hear my tone
It says I am alone
A hideout, manifest stability
Let go of doubt, get away
No flaws will inject or exit my present place
I gotta burn, experience only allows what I will learn
Hear my tone, it says I am alone, yeah
Na, na, na, na, na
Na, na, na, na, na
Na, na, na
I hear your tone
And you're so not alone
You're so not alone
