

Hold Me, Squeeze Me

Angel

When I see you walk on by
You do something to me
And every time you're by my side
You know my heart keeps skipping a beat
Heaven only knows, that I want you so
Tell me everything you see
And everything you do
If you give your love to me
I'll give all my love to you
Heaven only knows, that I love you so, yeah
Hold me, squeeze me, never let me go
Hold me, squeeze me, never let me go
Never let me go
Let me tell you one more time
Don't you realize?
I love you more than any other guy
And it should come as no surprise
Heaven only knows, that I need you so, yeah
Hold me, squeeze me, never let me go
Hold me, squeeze me, never let me go
Never let me go
Hold me, squeeze me, never let me go
Hold me, squeeze me, never let me go
Never let me go
Hold me, squeeze me, never let me go
Never let me go, never let me go
