

# Lovers Lane

**Elizabeth Mitchell**

I first met you down on lover's lane  
You were just like an angel  
With angel golden wings  
We walked along we sang a song  
The birds were singing too  
It seems like heaven here on earth  
Just to be again with you You're just the girl of my dreams;  
It seems that my dreams  
Never come true At night we'd sit out on the old porch swing  
Stars were shining brightly  
Softly you would sing  
You'd sing of happy days gone by  
It makes me happy too  
It'd be like heaven here on earth  
If I could be with you You're just the girl of my dreams;  
It seems my dreams  
Never come true I first met you down on lover's lane  
You were just like an angel  
My little brown eyed Jane  
We walked along we hummed a song  
The birds were singing too  
It'd be like heaven here on earth  
Just to be again with you You're just the girl of my dreams;  
It seems that my dreams  
Never come true You're just the girl of my dreams;  
It seems that my  
Dreams never come true
