

Back From the Dead

Dream Evil

Back from a furious
slaughter in pain Trapped in this universe
completely insane No more confusion
inside his head
Traveled through darkest hell He's back from the dead
straight back from hell His mission is obvious
evil and plain
Destruction for all of us
for his own gain No absolution
from terror and dread
Nowhere to hide from him He's back from the dead
straight back from hell Maybe we're strong enough
to fight against his rage
Maybe we're strong enough
to live and tell the tale He's back from the dead
straight back from hell
He's back from the dead
straight back from hell
(Solo)
He's back from the dead
straight back from hell
He's back from the dead
straight back from hell
Back from the dead
Straight back from hell
Back from the dead
Straight back from hell
Back from the dead
Straight back from hell
Back from the dead
(fade out)
