

Destination Unknown

Smashing Pumpkins

Life is so strange, when you don't know how can you tell
Where you're going to
You can't be sure of any situation
Something can change and then you won't know You ask yourself, where do we go from here
It seems so altered here
Just as far beyond as I can see
I still don't know what this all means to me I have nowhere to go
I don't know what to do
And I don't even know the time of day
I guess it doesn't matter anyway Life is so strange, destination unknown
When you don't know your destination
Something can change it's unknown
Then you won't know, destination unknown Life is so strange, destination unknown
When you don't know your destination
Something can change it's unknown
Then you won't know, destination unknown When will my time come
Has it all been said and done
I know I'll leave when it's my time to go
Till then I carry on with what I know Life is so strange, destination unknown
When you don't know your destination
Something can change it's unknown
Then you won't know, destination unknown Life is so strange, destination unknown
When you don't know your destination
And something can change, it's unknown
And then you won't know, destination unknown Life is so strange, life is so strange
Life is so strange, life is so strange
Life is so strange, life is so strange
Life is so strange Life is so strange, life is so strange
Life is so strange, life is so strange
Life is so strange, life is so strange
Life is so strange, life is so strange
Life is so strange, life is so strange
