

# Popular Song

## Mika

La la, la la  
You were the popular one, the popular chick  
It is what it is, now I'm popular 'ish  
Standing on the field with your pretty pompons  
Now you're working at the movie selling popular corn  
I could have been a mess but I never went wrong  
'Cause I'm putting down my story in a popular song  
Said I'm putting down my story in a popular song  
My problem, I never was a model  
I never was a scholar,  
You were always popular  
You were singing, all the songs I don't know  
Now you're in the front row  
'Cause my song is popular  
Popular, I know about popular  
It's not about who you are or your fancy car  
You're only ever who you were  
Popular, I know about popular  
And all that you have to do, is be true to you  
That's all you ever need to know  
Catch up, cause you got an awful long way to go  
Catch up, cause you got an awful long way to go  
I was on the lookout for someone to hate  
Picking on me like a dinner plate  
I hid during classes, and in between them  
Dunk me in the toilet now its you that cleans 'em  
You tryin' to make me feel bad with the things you do  
It ain't so funny when the joke's on you  
Uh, the joke's on you  
Got everyone's laughing, got everyone clapping, asking  
How come you look so cool?  
'Cause that's the only thing that I've learned at school  
Said that's the only thing I've learned at school  
My problem, I never was a model,  
I never was a scholar,  
But you were always popular,  
You were singing, all the songs I don't know  
Now you're in the front row  
'Cause my song is popular  
Popular, I know about popular  
It's not about who you are or your fancy car  
You're only ever who you were  
Popular, I know about popular  
And all that you have to do, is be true to you

That's all you really need to know  
Catch up, cause you got an awful long way to go  
Catch up, cause you got an awful long way to go Popular, I know about popular  
It's not about who you are or your fancy car  
You're only ever who you were  
Popular, I know about popular  
It's not about who you are or your fancy car  
You're only ever who you were  
Popular, I know about popular  
And all that you have to do, is be true to you  
That's all you really need to know
