

Je T'Aime Means I Love You

David Hasselhoff

Springtime in paris it was late in the night
And, I was looking round at all the usual sights
 Suddenly there right in front of my eyes
I saw this girl and I sighed je t'aimeFelt my passion rising as I watched her go by
 I speak a little francais so I gave it a try
 I was confused - she'd put my mind in a haze
Then I remembered a phrase - je t'aimeStay with me - mon chÃ©rie
 Maybe then
 You'll say je t'aime
 Stay with me - please say oui
 To a rendez-vous
Je t'aime - means I love youParlez-vous anglais didn't bring no success
 And she won't say her name or even write her address
 Don't wanna lose her in the champs elysÃ©es
 Only one thing I can say - je t'aime
