

# Not That Girl

[Aleesia](#)

You tell me you're so in love, that I'm a perfect angel that's send from up above  
You said that you'll buy me everything take me around the world give me diamonds and pearls  
Your word's another lies I see it in your eyes, can't say I'm surprised, I'm not that girl Just get away, shut up  
don't talk, I'm sick of talking, so sick of you  
You thought you had me, look who shot you, I shot you  
down hit you in your heart when you thought of getting away, I'm not that  
Girl falling for your lies, don't believe a word that you say  
I shot you down, down, down, down, down, down, down, down, down  
I shot you down, down, down, down, down, down, down, down, down  
I shot you bang, bang, bang, bang You tell me you want me want me more, this is a useless conversation, I'm  
just a fascination  
You said that you're never giving up  
To jump up in your ride, we'll be Bonnie and Clyde  
You want to know the lies I see it your eyes, can't say I'm surprised, I'm not that girl Just get away, shut up  
don't talk, I'm sick of talking, so sick of you  
You thought you had me, look who shot you, I shot you  
down hit you in your heart when you thought of getting away, I'm not that  
Girl falling for your lies, don't believe a word that you say  
I shot you down, down, down, down, down, down, down, down, down  
I shot you down, down, down, down, down, down, down, down, down  
I shot you
