

Jesus Gonna Be Here

Tom Waits

Well, Jesus gonna be here
He's gonna be here soon
He's gonna cover us up with leaves
With a blanket from the moon
With a promise and a vow
And a lullaby for my brow
Jesus gonna be here
Gonna be here soon Well, I'm not gonna do nothing
I'm gonna wait here
I don't have to shout
I got no reason, yeah
And I got no doubt, yeah
I'm gonna get myself unfurled
From this mortal coiled-up world
Jesus gonna be here
Gonna be here soon I got to keep my eyes, keep 'em wide open
So I can see my Lord, yeah
I'm gonna watch the horizon
For my brand-new Ford, yeah Well, I can hear him rolling on down the lane
I said "Hollywood be thy name"
'Cause Jesus gonna be
He gonna be here soon, yeah
