

# Turn Me On (Michael Calfan Remix)

## David Guetta

Docta docta, need you bad  
Call me babe  
Docta Docta, where you at?  
Give me something  
I need your love  
I need your love  
I need your loving  
You got that kind of medicine that keeps me cominâ€™™

My body needs a hero  
Come and save me  
Something tells me you know how to save me  
I've been feeling real low  
Oh, I need you to come and rescue me

[Chorus]

Make me come alive  
Come on and turn me on  
Touch me, save my life  
Come on and turn me on  
Iâ€™™m too young to die  
Come on and turn me on  
Turn me on  
Turn me on  
Turn me on  
Turn me on

Make me come alive  
Come on and turn me on  
Touche me, save my life  
Come on and turn me on  
Iâ€™™m too young to die  
Come on and turn me on  
Turn me on  
Turn me on  
Turn me on  
Turn me on

Boy, Iâ€™™m achinâ€™™, make it right  
My temperature is super high

If I scream, if I cry  
It's only 'cause I feel alive

My body needs a hero  
Come and save me  
Something tells me you know how to save me  
I've been feeling real low  
Oh, I need you to come and rescue me

[Chorus]

Make me come alive  
Come on and turn me on  
Touche me, save my life  
Come on and turn me on  
I'm too young to die  
Come on and turn me on  
Turn me on  
Turn me on  
Turn me on  
Turn me on

You've got my life in the palm of your hands (palm of your hands)  
Come and save me now  
I know you can, I know you can

Don't let me die young, I just want you to fire at my young  
I just want you to be my doctor, we can get it crackin' chiropractor, I, I, I, I

I know you can save me  
And make me feel alive

[Chorus]
