

Further On Up the Road

Steve Miller Band

Further on up the road
Someone's gonna hurt you like you hurt me
Further on up the road
Someone's gonna hurt you like you hurt me
Further on up the road
Baby, you just wait and see You gonna reap just what you sow
That old saying is true
You gonna reap just what you sow, babe
That old saying is true
Just like you mistreated someone
Someone's gonna mistreat you Now you're laughin', pretty baby
Some sweet day you're gonna be cryin'
Now you're laughin', pretty baby
Some sweet day you're gonna be cryin'
Further on up the road
You'll find out I wasn't lyin' Baby, baby Further on up the road
When you're all alone and blue
Further on up the road, babe
When you're all alone and blue
You're gonna ask me to take you back, baby
But I'll have found somebody new My baby
Baby
Aah, aah, ah
Baby, yeah Further on up the road
You'll find out I wasn't lyin'
