

Memories Of Tomorrow

Suicidal Tendencies

Bombers in flight
Trident missiles in the air
My missiles underground
Protect us till we're dead Memories of tomorrow
Crying sorrow Push the button
Kiss goodbye the nuclear arsenal
A bomber flying off their ramps
Nuclear bombs explode Radio active people
Search for medicine
Pray for shelter
Kill for food Memories of tomorrow
Crying sorrow Mass starvation
Contaminated water
Destroyed cities
Mutilated bodies Memories of tomorrow
Crying sorrow I'll kill myself
I'd rather die
If you could see in the future
You'd know why Memories of tomorrow
