

Waves (feat. Doyle Grisham)

Aaron Scherz

Iâ€™ve been doinâ€™ all I know to do,
to get this old heart over you.
Thereâ€™s days I can and canâ€™t stand the pain
it comes in waves.

It took a while but I think I might,
have finally found me a way that I
can let go of all those yesterdays.

It comes in waves, rollinâ€™ off the ocean
Palm trees swaying, salt breeze blowinâ€™
Kickinâ€™ back digginâ€™ that warm sunshine
and girl youâ€™re barely on my mind.

Every buffet is jamminâ€™
and girl Iâ€™ve been slamminâ€™
every single drink that they send my way

Iâ€™m Landshark buzzinâ€™

Worried â€™bout nothinâ€™

Findinâ€™ out feeling good comes in waves.

Now I could find me another you,

Any night if I wanted to

Down here the cruise ships ship â€™em in twice a day.

Ya they come in waves, rollin off the ocean

Palm trees swaying, salt breeze blowinâ€™

Theyâ€™re kickinâ€™ back digginâ€™ that warm sunshine
and girl youâ€™re barely on my mind.

Every buffet is jamminâ€™
and girl Iâ€™ve been slamminâ€™
every single drink that they send my way.

Iâ€™m Landshark buzzinâ€™

Worried â€™bout nothinâ€™

Findinâ€™ out feeling good comes in waves.

Every time the tide comes rollinâ€™ in

Takes another little piece of you out again.

You know it comes in waves, rollinâ€™ off the ocean
palm trees swaying, salt breeze blowinâ€™.

Kickinâ€™ back digginâ€™ that warm sunshine
and girl youâ€™re barely on my mind.

Every buffet is jamminâ€™
and girl Iâ€™ve been slamminâ€™

every single drink that they send my way.

Iâ€™m Landshark buzzinâ€™

Worried â€™bout nothinâ€™

Findinâ€™ out feeling good comes in waves.

Waves.
