

# Send In The Clowns

## Cold

They kept on comin' down to this place,  
'Cause I could see it in their eyes  
They made the world a fuckin' disgrace  
And everything burn cold.They kept on coming down to this place  
'Cause I could see it in their eyes,  
We took the world to heal the disgrace  
Now everything burns fine.I'm talkin' 'bout the ever changing winds of fame  
I guess it just got cold in here  
It comes full circle  
No one ever changed our ways our  
Little pill killed summer days, I  
Guess it just got cold in here, it  
Comes full circle,They kept on comin' down to this place,  
Like they were running out of time  
To make the world a fuckin' disgrace  
And everything burn cold.They kept on coming down to this place  
'cause I could see it in their eyes,  
We took the world to heal the disgrace  
Now everything burns fine.Send in the clowns  
(Send in the clowns...)  
Well here come the clowns!
