

The Way I Loved You

Taylor Swift

He is sensible and so incredible
And all my single friends are jealous
He says everything I need to hear and it's like
I couldn't ask for anything better
He opens up my door and I get into his car
And he says you look beautiful tonight
And I feel perfectly fine[Chorus]
But I miss screaming and fighting and kissing in the rain
And it's two a.m. and I'm cursing your name
You're so in love that you act insane
And that's the way I loved you
Breakin' down and coming undone
It's a roller coaster kinda rush
And I never knew I could feel that much
And that's the way I loved youHe respects my space
And never makes me wait
And he calls exactly when he says he will
He's close to my mother
Talks business with my father
He's charming and endearing
And I'm comfortable[Chorus]He can't see the smile I'm faking
And my heart's not breaking
Cause I'm not feeling anything at all
And you were wild and crazy
Just so frustrating intoxicating
Complicated, got away by some mistake and nowI miss screaming and fighting and kissing in the rain
And it's two a.m. and I'm cursing your name
I'm so in love that I acted insane
And that's the way I loved you
Breakin' down and coming undone
It's a roller coaster kinda rush
And I never knew I could feel that much
And that's the way I loved youAnd that's the way I loved you oh, oh
Never knew I could feel that much
And that's the way I loved you
