

# STRICT MACHINE (BENNY BENASSI SFACTOR EDIT REMIX)

Goldfrapp

I get high on a buzz  
Then a rush when I'm plugged in you  
I connect  
When I'm flush  
You get love when told what to do Wonderful electric  
Wonderful electric  
Wonderful electric  
Cover me in you I'm in love, I'm in love  
I'm in love with a strict machine I'm in love, I'm in love  
I'm in love with a strict machine When you send me a pulse  
Feel a wave of new love  
Through me  
I'm dressed in white noise  
You know just what I want  
So please Wonderful electric  
Wonderful electric  
Wonderful electric  
Cover me in you I'm in love, I'm in love  
I'm in love with a strict machine I'm in love, I'm in love  
I'm in love with a strict machine ...
