

# Life

## HEALTH

We lie awake at night

We're tired of waiting

Too high to sleep

Too tired to try

Life is strange

We die, and we don't know why

I don't know what I want but I know that I don't know what I want

I don't know what I want but I know that I don't know what I want

No, nobody knows, nobody does, nobody knows

No, nobody knows, nobody does, nobody knows

We lie awake at night

We're tired of waiting

Yeah life, is pain

But I'm afraid to die

We fall apart

It's not our fault

We fall apart

Life is strange but it's all we've got

We fall apart

It's not our fault

We fall apart

Life is strange but it's all we've got

We fall apart

It's not our fault

We fall apart

Life is strange but it's all we've got

Life and Death
