

Lord Your Grace

Fred Hammond

Oh, Lord Your grace

Let the song say, Lord Your grace
Covering me like a soft summer shower, that's right
Raining down on me, goodness and mercy
Loving me daily, forgiving me freely
I need somebody to get excited about that and say it with me

Lord Your grace
Covering me like a soft summer shower
Raining down on me, goodness and mercy
Loving me daily, forgiving me freely

Poor and afraid left out lost and alone
'Til Your tender love came and made me Your own
How could I make it and where would I be
Without Your undeserved favor, Lord Your grace

Lord Your grace
Covering me like a soft summer shower
Raining down on me, goodness and mercy
Loving me daily, forgiving me freely

Where sin abounds grace abounds so much more
Covering me from the sun to the floor
And if I forget then the spirit of grace cries out
Peace, sweet peace, Lord Your grace

Lord Your grace
Covering me like a soft summer shower
Raining down on me, goodness and mercy
Loving me daily, forgiving me freely

I am no longer a prisoner of shame
For the truth is
I know that I am complete
In Your grace

As I look back over all the years that I made it through
I can't imagine where I'd be now if it wasn't for You

Why Your favor rests upon me I can never explain
But I'm so glad that I can say

Your grace in my life lasts forever
Your goodness and mercy and grace lasts forever
Your grace in my life lasts forever
But I'm so glad that I can say

Your grace in my life lasts forever
Your goodness and mercy and grace lasts forever
Your grace in my life lasts forever
And I'm so glad that I can say

Your grace in my life lasts forever
Your goodness and mercy and grace lasts forever
Your grace in my life lasts forever
So glad that I can say

As I look back over all the years that I made it through
I can't imagine where I'd be now if it wasn't for You
Why Your favor rests upon me I can never explain
But I'm so glad that I can say

Your favor is just what I needed
Your favor for me Lord is just what I needed
Your favor is just what I needed
And I'm so glad that I can say

Your favor is just what I needed
Your favor for me Lord is just what I needed
Your favor is just what I needed
And I'm so glad that I can say

Your favor is just what I needed
Your favor for me Lord is just what I needed
Your favor is just what I needed
And I'm so glad that I can say

Your grace in my life lasts forever
Your goodness and mercy and grace lasts forever
Your grace in my life lasts forever
But I'm so glad that I can say

Your grace in my life lasts forever
Your goodness and mercy and grace
