

Special Occasion

DJ Beppi

Being good's is nothing hug and kisses

I'm all done with my business

And now

It's time for me to go out

And just enjoy myself

Hit a club somewhere

Friends everybody is there

And it ain't no drama just drinks

And all the hands in the air

CHORUS (R. Kelly)

I can feel it now

Love is raining down on me

And the music's got me feeling so free

My hands are reaching out

Just be into your ecstasy

Tonight we will make history

(Its a special occasion)

It's a...(special occasion)

Special occasion yeah... So relax and enjoy yourself with me

(Its a special occasion)

It's a...(special occasion)

Special occasion

Oh this is perfect timing

Everyone's unwinding

And it looks like we're gonna be

Here till the morning comes

Everyone's repping their hands

Or doing that stepping dance

And the Dj happens to be

Playing our favorite song

CHORUS (R. Kelly)

I can feel it now

Love is raining down on me

And the music's got me feeling so free

My hands are reaching out

Just be into your ecstasy

Tonight then we'll make history girl
