

# Dick for Brains

MDC

Oh Goddess I love you it's true  
I'll do anything you want me to  
Why? Why?  
Dick for brains, dick for brains  
Why am I your dick for brains?  
You know it drives me so insane You know I love your power  
I wait on your golden shower  
Why? Why?  
Dick for brains, dick for brains  
Not a woman with a clit for brains  
You know it drives me so insane You know how I try to please  
Got carpet burns on my knees  
Why? Why?  
Why? Why?  
Dick for brains, dick for brains  
Why am I your dick for brains?  
You know it drives me so insane I love it when you treat me cruel  
Let me have the whole damn rule  
Why? Why?  
Dick for brains, dick for brains  
Why am I your dick for brains?  
You know it drives me so insane I'm your maid and your chauffeur too  
Why do I feel so black and blue?  
Why? Why?  
Dick for brains, dick for brains  
Why am I your dick for brains?
