The Mule

Z-ro

I dont know what to do
I cant decide
I havent got a clue
Im going to stay insideIt dont make no sense
Ive got no excuse
Just going to change my mind
So whats the use?Against the wall
I see your face
Im thinking of another time
Another placeI dont know what to do
Im going blind
Cant get it straight man
Ive been left behindIt dont make no sense
Im blaming you
I havent got a clue
I havent got a clueI dont know what to do
Im going blind
Cant get it straight man
Ive been left behindAgainst the wall
I see your face
Im thinking of another time
Another placeI havent got a clue x 2
