

Thank You

P. Diddy

Verse 1:

You've always been right there to let me know everything's alright
Whenever darkness came my way You were my light
I wanna thank You for the difference in my life
Can't even count the reasons why (ohhh I)Refrain:

I lift you up and praise Your name
You gave me strength to see another day
When I was lost, You helped me find my way
When it seems I can't face another day(That's when I call on.....)Chorus:
You-- In time trouble, faced with struggle I call no one but ..
You-- When I'm feelin lonely, no one around me still I call on ..
You-- You always placed Your arms around me when I needed..
You-- That's why I sing this song to tell You

Lord I do love YouVerse 2:

You are the only one who keeps on blessing me
At times, I thought that I was blind You helped me see

You gave me strength to see another day
When I was lost you helped find my way
When it seems I can't face another day
