

Hounds

The Districts

So loud
So loud
Slow down
Slow hound

They want to conquer you
Abandon you

I want a word with you
They'll long telling you

So loud
So loud
Slow down
Slow hound
So loud
So loud
Slow down
Slow hound

They want to think for you
Pour dreams into you
They want to look at you
I repent to after you

Slow down
Slow down
Slow down
Slow hound
Slow down
Slow down
Slow down
Slow hound

So loud
So loud
I want to ? with you
So loud
Defend against your home
So loud

So loud
So loud
I want to speak for you
So loud
As if I'll know what you'll do
So loud
