

Cruenta Pugna

Thy Majestie

Contra tenebras et mortem pugnamus
Contra omne malum ira incensi sumus
Magnae vires adversae pugnant bellum perennem
Gloria aeterna sit in his terris
Perpetua gloria in hoc regno
Nostra fides faciet nos claros
Nostra fides faciet nos claros in aeternum
Agri usti Durys clamant regem Arter
Interim vaticinia exitum habent
