

# Pump Up the Space Suit

## Galactic Cowboys

Houston, we've got a problem here!  
Stuck up here in outer space with a bubble around my face  
Would have stayed if I only knew before too long my skin turns blue  
Pump up the space suit! Big problem I do suppose got a kink in my oxygen hose  
Now I'm feelin' really dumb before too long my skin turns numb  
Pump up the space suit! Pump up the space suit! End of Transmission
