Regalia (Contrakids Remix)

Savoir Adore

High in the air
Dusk cocoons will get the rust all they left
Fly like a bear
Pop, pop regalia, they own all, we know
Now you know all of my old names (all, all, all, all)
Now you see that everything's the same (all, all, all, all)
I keep you there
Panic through the wild, rider in the dark
Fall to the ground
Pop, pop Athena, they own all, we know
Now you know all of my old names (all, all, all, all)
Now you see that everything's the same (all, all, all, all)
Becoming one together in the secret fire
Where you were made and everything remains (oh oh, oh oh)
Oh oh, oh oh
Now you know all of my old names (all, all, all, all)
Now you see that everything's the same (all, all, all, all)
Becoming one together in the secret fire
Where you were made and everything remains (oh oh, oh oh)
