

# The Only Ones

## Reamonn

Reamonn - The Only Ones  
Sweet the hands that  
Laid me to the ground  
Sweet the voice that  
Makes the sweetest sound  
And I won't go down  
I won't go down  
On my knees  
There's just you and me  
We are the only ones  
I've heard of love that  
Inside she makes you strong  
In your arms is where I  
I Feel I belong  
And it's only  
If you want it  
I'll be gone  
There's just you and me  
We are the only ones  
It's a brand new day  
We'll take it as it comes  
There's nothing left to say  
Cause it's all been said and done  
And if the lights go out  
We'll be the burning sun  
There's just you and me  
We are the only ones  
There's just you and me  
If we hold on tight  
We'll make it through the night  
Just you and me  
We are the only ones  
And if the lights go out  
We'll be the burning sun  
And In the Darkest of nights  
We'll be the only ones  
And If we hold on tight  
We'll make it through the night  
There's just you and me  
We are the only ones  
And there's just you and me  
We are the only ones
