Take Everything

Seventh Day Slumber

Another melody another empty song
I tell myself that I have praised you
I try and make believe that this is all you want
But once again I know Iâ€™ve missed it
Praising you, not just the songs I sing
Jesus, here I am- take everything

Take the pain inside
Take the brokenness
Donâ€™t stop till thereâ€™s nothing left
My arrogance, my pride
The loss of innocence
Jesus, take everything

Another melody another empty song
I tell myself that I have praised you
I try and make believe that this is all you want
But once again I know Iâ€™ve missed it
Praising you, not just the songs I sing
Jesus, here I am- take everything

Take the pain inside
Take the brokenness
Donâ€™t stop till thereâ€™s nothing left
My arrogance my pride
The loss of innocence
Jesus, take everything

Thereâ€™s nothing left of me
Thatâ€™s when I feel alive
Oh Holy Spirit fall fresh upon me
You can have it all

Take the pain inside
Take the brokenness
Donâ€™t stop till thereâ€™s nothing left
My arrogance my pride
The loss of innocence
Jesus, take everything

(repeat)

Jesus take everything

Jesus take everything
