All Star

Jason Wade

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was lookin' kinda dumb with her finger
And her thumb in the shape of an L on her forehead
Well the years start coming, and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb
So much to do, so much to see
So what's wrong with taking The Backstreet?
You'll never know if you don't go
You'll never shine if you don't glow
Hey now, you're an all star get your game on, go play
Hey now, you're a rock star get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold
It's a cool place and they say it gets colder
You're bundled up now wait till you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture
The ice we skate is getting pretty thin
The water's getting warm so you might as well swim
My world's on fire, how about your's?
That's the way I like it and I'll never get bored
Hey now, you're an all star get your game on, go play
Hey now, you're a rock star get the show on, get paid
All that glitters is gold
Only shooting stars break the mold
Hey now, you're an all star get your game on, go play
Hey now, you're a rock star get the show on, get paid
And all that glitters is gold
Only shooting stars
Somebody once asked could I spare some change for gas
I need to get myself away from this place
I said, "Yep, what a concept I could use a little fuel myself
And we could all use a little change"
Well, the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun

Your brain gets smart, but your head gets dumb
So much to do, so much to see
So what's wrong with taking The Backstreet?
You'll never know if you don't go
You'll never shine if you don't glow
Hey now, you're an all star get your game on, go play
Hey now, you're a rock star get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold
And all that glitters is gold
Only shooting stars break the mold
