

Loved Ones

Starflyer 59

A big time, it's a long try
To leave all your loved ones
Get on, go far
To leave all your loved ones It's our love verse
A trade-off is coming, you won't get it right
So I left her
To see what has come when I have a good wife
And we try Trade-off, but you don't start
But I leave all my loved ones
It's alright to be tired
If they won't stop coming It's our love verse
A trade-off is coming, you won't get it right
So I left her
To see what has come when I have a good wife
And we try It's our love verse
A trade-off is coming, you won't get it right
So I left her
To see what has come when I have a good wife We try
We try
We try
We try
