

# Show your Fist

[unknown]

You're born like this  
You live like this  
Raise your voice  
And show your fists

You're born like this  
You live like this  
Stand up for your right  
Go, fight for your life

You're born like this  
You live like this  
Feel the power  
Get stronger

You're born like this  
You live like this  
Raise your voice  
And show your fists

Show your fists  
You're born like this  
You live like this  
Freedom fighter  
With primal instinct

You're born like this  
You live like this  
Without brains  
Without fear

You're born like this  
You live like this  
No matter what they do  
No matter what they say

You're born like this  
You live like this  
No one can stand anymore  
In your way
