

# All Is Well

[Carolyn Arends](#)

Bones will ache, hearts will break  
When living takes it toll, tears will fall  
Still all is well with my soul Storms will come, hide the sun  
And leave us numb with cold  
Rains will fall, still all is well with my soul All is well that ends well  
And in the end I'll be with You I know  
All is well that ends well  
And so all is well with my soul Eyes will see, tragedies  
And mysteries unfold  
Nights will fall, still all is well with my soul
