

I'll Be That (feat. Adrienne Bailon)

Ghostface Killah

[Chorus]

I could be your friend, I could be your tease

I can be a freak, I can be a P.Y.T.

If you ask, I'll be that

I could be your girl, I could be your wife

I complete your side, I could be watching me

If you ask, I'll be that

I'll be your homey, lover, friend, I'll be your everything

If you ask, I'll be that

Say you want me, I'll come running

I can be your baby, just you ask, I'll be that My girl, my love, come through, rescue me

Throw me on the bed, no clothes, wrestle me

After smashing that, then will you cook for me

Promise I won't hit you, you don't have to be shook of me

Washing my boxers, shirts folded nice and creased

Plus when we argue, she will never pull a beast

Clap for my baby, award winning, best nookie

I been in the whole wide world, that's why I stay spending [Chorus] I want you in a scarf, boy shorts around the house

Wife beater, undercover, sitting on the couch

Isley's is playing, lights dim, vanilla candles is melting

It's a long time, don't let no one else in

Fresh out the tub, sweetness and peaches

Body work splash around your neck, the kid admire all your features

Niggas be hollering; peace ma, what up boo?

You suck your teeth and keep it moving with the screw, yes [Chorus] Happy birthday, red roses, big cakes

Donna Karen slippers, got your birthday gift by the lake

Big boats, thick ropes, ostrich purses

Snakeskin boots, Jared Jewelers, the mink cost mad loot

Ski trips, resorts, close your eyes, baby, make a wish

Blow your cake out, earrings is snowflaked out

Will you marry me? Will you carry me?

Through rain, hail, sleet and snow

Don't say no, you'll embarrass me [Chorus] I'll be that

Baby

Yeah, yeah, yeah

I'll be that, I'll be that
