

Prissy Prancin'

Eagles of Death Metal

We get movin', we can slip off to the dance club
We roll up but it's like no one wants to dance
Ain't got no time, I've got to motor for this d.j
Here's a toast to the boogie, baby bottoms up
Hold my breathe, and waitin'
I'm Pete Thompson and I want chu prissy prancin'
Want you wigglin' and jigglin' your ass for me
Oh, I'm Pete Thompson and I want chu prissy prancin'
Want you wigglin' you're jigglin' your ass for me
We start slidin' and we shake it to the left side
Do a dip, dip n' then we shake it right back
Bump it up rough, we do a dance called prissy prancin'
When you wiggle n' you jiggle'
Everybody's up, now you really dancin'
Oh, I'm Pete Thompson and I want chu prissy prancin'
Want you wigglin' you're jigglin' your ass for me
x3Oh, I'm Pete Thompson and I want chu prissy prancin'
Want you wigglin' you're jigglin' your ass for me
