Heart Fixing Business

Albert King

I'm a heart fixer, babe
I specialize in heart repair
I'm a heart fixer, darlin'
I specialize in heart repairIf your heart needs fixin' up, girl
Just call on me and I'll be thereIf your heart is broken, babe
All of my work is guaranteed
If your heart needs fixin' up, girl
All of my work is guaranteed[Incomprehensible]
Just call on me and I'll be thereI work on the pole
The cripple and the blind
If your heart need fixin' up, girl
Just call me anytimeI'm a heart fixer, darlin'
All of my work is guaranteed
If your heart needs fixin', little girl
Don't hesitate to call on meI'm a heart fixer, babe
All of my work is guaranteed
