Your Smile

Patrick G. Moran

Girl why do u blow my mind
I think about u all the time
like an addict I?m So addicted to you (to you)
When I see u smile (When I see u smile)
Oeh, Drives me wild (Oeh, Drives me wild)
And I cant explain it (I cant explain it)
Its killin me baby (killin me baby)
IEO IE-O IE-O
IEO IE-O IE-O
IEO IE-O IE-O
IEO IE-O IE-O
I keep desertin through the rain
My existence feels so in vain
I shake n shiver when I hear your name girl (name girl name girl)
wish we cud run away (run away)
Could Touch the stars float away
Its was men to be u and me
Baby lets kiss the sky
When I see u smile (When I see u smile)
Drives me wild (Drives me wild)
And I cant explain it (I cant explain it)
Its killin me baby (killin me baby)
IEO IE-O IE-O
IEO IE-O IE-O
IEO IE-O IE-O
IEO IE-O IE-O

[Lil wayne]Hi darling um excuse me pardon
I don?t mean to bother
but I just hard to
I mean I just had to say
I?m tha carter, just like Nino and thats valentino.
And girl we hot, but im the fleno
Why do she go wherever we go.
How many people? Cuz it's just 2 of us
But the girls say, So there's a few of us and they get on our tour bus and they know what to do with us...
Girl your smile makes a nigga write vowels.
Got me like wow, got me thinking wow.
Throw away the Lifestyles.

Got me thinking, wife, child...Far from a Smile
A smile you can see for a mile, Man it howls so loud And she don't even make a sound, wow! and every time she smile i go wow. I'll be here for a while...
When I see u smile (When I see u smile)
Oeh,Drives me wild (Drives me wild)
And I cant explain it (I cant explain it)
Oeh,Its killin me baby (killin me baby)
When I see u smile (When I see u smile)
Drives me wild (Drives me wild)
And I cant explain it (I cant explain it)
Its killin me baby (killin me baby)
IEO IE-O IE-O
IEO IE-O IE-O
IEO IE-O IE-O
IEO IE-O IE-O
Its killing me, your smile.
Lets floooo awaaaay
