

Right Here For U

112

Baby
(One, twelve)
I know I'm wrong 'cause
(Be right here for u)
You've already got a man
(Ooh, one twelve, yeah, be right here for you) But I see the way he treats you
(Ooh one twelve)
And I know I can treat you a lot better
(Be here right here for you)
Whenever you need me, I'll be right here for u
(Q, Mike, Slim, Daron)
Listen? Baby, you don't have to cry
So won't you wipe the tears from your eyes
Girl, I need for you to see
With me is where you know you need to be Whatever it is
Girl, don't hesitate to call me
You don't have to worry 'bout a thing
'Cause I'll be right here waiting for you Whatever he won't do, I'll do
Whatever you need, I'll give to you
Whenever you cry, I'll cry with you
Baby, just call on me and I will be right there
Right there for u Whenever you think of me
Know that I'm thinking of you
And how can I get you to see
That you're somewhere you ain't suppose to be Just give me one chance
To prove to you I'm a better man
Never break apart
You'll always be in my heart
Whatever he won't do
You know I'd do it for you Whatever he won't do, I'll do
Whatever you need, I'll give to you
Whenever you cry, I'll cry with you
Baby, just call on me and I will be right there
Right there for u I'll do things for you
Like that man won't do
I'll prove my love to you
Girl, I'll die for you I'll hold you tight
All through the night
To let you know

It'll be alright You are my world
Please be my girl
I promise you
My love is true I'll make love to you
I'll take care of you
Girl, I'm gonna show you
That I'm right here for u? Whatever he won't do, I'll do
Whatever you need, I'll give to you
Whenever you cry, I'll cry with you
Baby, just call on me and I will be right there
Right there for u Whatever he won't do, I'll do
Whatever you need, I'll give to you
Whenever you cry, I'll cry with you
Baby, just call on me and I will be right there
Right there for u Oh, baby, be right there for u?
Ooh, ooh, I'll be right here for u?
Ooh, I'll be right here for u?
Right there for u? I'll be right here for u?
Ooh ooh, I'll be right here for u?
Ooh ooh, I'll be right here for u?
