

# Zanz̃-bar

## Toundra

Ali dances and the audience applauds  
Though he's beathed in sweat he hasn't lost his style  
Ali don't you go downtown  
You gave away another round for free  
Me, I'm just another face at Zanzibar  
But the waitress always serves a secret smile  
She's waiting out in Shantytown  
She's gonna pull the curtains down for me, for me

### CHORUS

I've got the old man's car,  
I've got a jazz guitar  
I've got a tab at Zanzibar  
Tonight that's where I'll be  
Rose, he knows he's such a credit to the game

But the Yankees grab the headlines every time  
Melodrama's so much fun  
In black and white for everyone to see  
Me, I'm trying just to get to second base  
And I'd steal it if she only gave the sign  
She's gonna give the go ahead  
The inning isn't over yet for me

### CHORUS

Tell the waitress I'll come back to Zanzibar  
I'll be hiding in the darkness with my beer.  
She's waiting out in Shantytown  
She's gonna pull the curtaains down for me, for me

### CHORUS
