Khia

All you ladies pop yo' pussy like this
Shake your body, don't stop, don't miss
All you ladies pop yo' pussy like this
Shake your body, don't stop, don't miss
Just do it, do it, do it, do it, do it now Lick it good
Suck this pussy just like you should, right now
Lick it good
Suck this pussy just like you should, my neck, my back
Lick my pussy and my crack My neck, my back
Lick my pussy and my crack My neck, my back
Lick my pussy and my crack My neck, my back
Lick my pussy and my crack My neck, my back
Lick my pussy and my crack First you gotta put yo' neck into it
Ah don't stop, just do it, do it
Then, you roll your tongue
From the, crack back to the front
Then ya, suck it all 'til I shake and cum nigga
Make sure I keep bustin' nuts nigga
All over yo' face and stuff
Slow head show me so much love
The best head comes from a thug
The dick good, thick big and long
Slow thumpin' 'til the crack of dawn
On the X, makin' faces and stuff
Through the night, makin' so much love
Dead sleep when the sun comes up So lick it now, lick it good
Lick this pussy just like you should, c'mon
Right now, lick it good
Lick this pussy just like you should My neck, my back
Lick my pussy and my crack My neck, my back
Lick my pussy and my crack You might roll dubs, you might have G's
But fuck that nigga, get on yo' knees
A bitch like me moans and screams
"Thug Misses" know what I mean
At the club so fresh, so clean
Hoes hate and niggaz watchin' me
So hot in the line, on cream
With a unit on my face, so mean
I got to pick which nigga I need

'Cause only thug nigga satisfy me
You try me I'll make you see
You bitches ain't got shit on me So lick it now, lick it good
Lick this pussy just like you should, c'mon
Right now, lick it good
Lick this pussy just like you should My neck, my back
Lick my pussy and my crack So lick it now, lick it good
Lick this pussy just like you should, c'mon
Right now, lick it good
Lick this pussy just like you should My neck, my back
Lick my pussy and my crack (My neck, my back) Then, you roll your tongue
From the, crack back to the front
(My neck, my back) Then ya, suck it all 'til I shake and cum nigga
Make sure I keep bustin' nuts nigga (My neck, my back) Then, you roll your tongue
From the, crack back to the front
(My neck, my back) Then ya, suck it all 'til I shake and cum nigga
Make sure I keep bustin' nuts nigga My neck, my back
